Re: U.S. v. Gregory Graves
01-CR-6051

Dear Judge Telesca,

Pursuant to this Court's Amended Scheduling Order, the defense has until June 15, 2006 to file any responsive pleading to the Government's motion to dismiss. I still need additional time to review the various and voluminous paperwork, motions, briefs and transcripts filed in this case, and I need additional time to finalize the defendant's legal argument with regards to this matter. In addition, because of my busy court schedule as of late, I have not been able to complete the necessary work on this case. Please accept my apologies in this regard.

In light of this situation, I would request to have the defense responsive pleading filings adjourned until June 22, 2006. I remain,

Very truly yours,

James P. Vacca
